

Naturalist Badge

CHECK OFF WHEN COMPLETED AND WRITE THE DATE.

Do any six of the following:

- _____ 1. Find different kinds of seeds that travel by “helicopter”, “parachute”, “sling shot”, as a “hitchhiker”, or by “animal express”.
Discuss how seeds are dispersed.
- _____ 2. With the help of an adult, dye a piece of cloth or T-shirt using plants to make the colour.
- _____ 3. Make a plaster cast or take a picture of an animal track.
- _____ 4. Show at least three different ways animals camouflage themselves.
- _____ 5. Show at least three different ways animals survive the Canadian winter.
- _____ 6. Show at least three examples of how plants and animals protect themselves from weather or predators.
- _____ 7. Take a hike through an urban community to look for nature.
- _____ 8. Observe any wild animal and report on what you learned from its behaviour.
- _____ 9. Find examples in books or real life and tell how plants and animals attract or repel others using colour and smell.
- _____ 10. Describe or draw some ways animals capture or eat food.
