

## Photographer Badge

CHECK OFF WHEN COMPLETED AND WRITE THE DATE.

Can be completed using a camera or video recorder.

A. Do the following:

- \_\_\_\_\_  1. Understand and explain the features of the camera you are using and how to properly care for the equipment.
- \_\_\_\_\_  2. Explain and demonstrate how to properly load, focus, hold and shoot the camera, along with knowing some common mistakes in taking pictures.
- \_\_\_\_\_  3. Understand the different types of film or tape available for your camera and their uses.

B. Using the above skills, complete any three of the following:

- \_\_\_\_\_  1. Make a family tree using pictures or video tape.
- \_\_\_\_\_  2. Create a display of photographs or video on a subject of your choice.
- \_\_\_\_\_  3. Write a short safety story and illustrate it through pictures or video using members of your pack, six or friends as the cast.
- \_\_\_\_\_  4. Create a short skit and tell it through photos or video tape using members of your pack, six or friends as the cast.
- \_\_\_\_\_  5. Take a set of nature pictures or video and display it to your pack.
- \_\_\_\_\_  6. Take a roll of pictures or video of interesting people and places in your community.
- \_\_\_\_\_  7. Interview a senior citizen about what life was like at your age using photos or video to record your interview.
- \_\_\_\_\_  8. Create a display of photographs or video showing your six or pack at a meeting, outing or camp and show this at a Scouting event.
